

## OUR GOAL: INVESTING IN OUR FUTURE TALENT...

### Do you have what it takes to help us achieve this goal?

Anglo American's coal business has operations in South Africa, Colombia, Australia and Canada. We have a strong standing in the both export and domestic markets. While most of our coal is used for power generation, it also fuels a range of other industries. As part of the Anglo American group, we are helping to build the leading globally diversified mining business.

### Experiential Learning Opportunities Coal South Africa
