

Mining Operator Pilot Programme 2019/2020

An exciting pilot programme in partnership with Career Wise to appoint unemployed mining graduates for a trial programme for 2019/2020 as Mining Operators at Mafube Coal. Mafube Coal is based in Middelburg, Mpumalanga.

Minimum requirements for applicants are as follows:

- A Mining Engineering Qualification: BTech Mining Engineering, BSc Mining Engineering or BENG Mining Engineering;
- Must be an unemployed South African Citizen with a valid South African Identification; and
- No Criminal Record

Interested and qualifying candidates are invited to apply for this exciting opportunity by sending the following documents:

- Certified ID Copy
- Certified Grade 12 Results
- Certified Full Tertiary Academic Record;
- Two page CV with contact details.

All applications can be e-mailed to: applications@careerwise.co.za.

CLOSING DATE: 8 AUGUST 2019

Should you not receive a response by 30 September 2019, please consider your application unsuccessful.
