HALO-MEDIA S32-117

## UNDERGRADUATE STUDIES

If you are currently a Grade 12 learner, or if you have already passed Grade 12, under the age of 21, and you would like to study full time towards an undergraduate degree/diploma, this bursary scheme could be just what you are looking for.

**The typical disciplines most suitable for this application include, but are not restricted to, the following studies:**

- Engineering, Built Environment & Architecture (All disciplines)
- Commerce, Law and Management (Accountancy, Economics, Finance, Business Science & Law)
- Health Sciences (Medicine, Nursing, etc.)
- Humanities (Arts, Social Science, Education, etc.)
- Science (Mathematical, Physical, Earth, Actuarial and Biological Sciences)
- Computer Science & Information Technology
- Consideration may be given for other disciplines

**Applications will be assessed on academic excellence and weighted according to financial need. Preference will be given to designated groups.**

Acceptance into the **The Dr Xolani Mkhwanazi South32 Bursary Scheme** is dependent on a successful interview and assessment. The bursary is renewable on an annual basis and dependent on the bursar's academic performance and conduct.

Interested and qualifying candidates must please apply online at [www.careerwise.co.za/applications/](http://www.careerwise.co.za/applications/) (online application only). We will need you to use a code for the purpose of tracking your application.

Please use the following code: **Hillside21**
